

To provide a variety of skilled, contemporary, patient centered Rehabilitation services to the community in an efficient and customer oriented manner.

Our company's *first* mission is to provide **Quality, Contemporary, Family Centered Care** to our local community and beyond. Our experienced professionals will provide you and your family with the compassion and care you deserve!

Our *second* mission is to give back to our community through family education and modern programs. These programs include our **Recreational Summer Camp for Children with Autism and PDD**, our **Early Intervention Cognitive Groups** (*Please note our EI cognitive group is on hold until further notice*), **Parent/Child Speech Language Group, CORE evaluations and our Preschool evaluations.**

Please visit our Career Opportunities section for more information about joining our team!

G&E Therapies core values include:

1. Exemplify professionalism, honesty, direct communication and advanced contemporary skills to the customers we serve.
2. Demonstrate ongoing dedication to continuing education through the Pediatric Residency Program, Tuition Assistance Program, professional continuing education and staff in-services.
3. Continue to develop and maintain an informative, educational, therapy based website to assist the community and staff in obtaining necessary and helpful information.
4. Implement a solid, well-rounded benefits package including Life Insurance, Medical Benefits, Paid time off and Paid Holidays to promote staff satisfaction.
5. G&E Therapies is proud to be a HIPAA compliant company. To view a copy of our Notice of Privacy Practice, click [HERE](#).
